WELCOME TO SUMMER AT LAKE TAHOE!

Mark Twain called Lake Tahoe "the fairest picture the whole earth affords." Today, millions of visitors from around the world discover, share and cherish the refreshing allure of the cobalt blue lake, clear skies and clean mountain air. 72 miles of shoreline and the surrounding Sierra Nevada provide an abundance of outdoor activities. On the lake, enjoy boating, scenic cruises, swimming, sailing, kayaking, fishing and numerous other pursuits. Beyond the lake, spectacular hiking, biking, rafting and off-road adventures await.

The north and west shores, known for a pure and simple mountain personality, are home to several distinct mountain resort towns and destinations. Squaw Valley — site of the 1960 Olympic Winter Games — is a must-visit with its scenic Aerial Tram ride and exciting events. Dining, shopping, and activity options abound in the region's resort villages and the enchanting lakeside towns of Sunnyside, Homewood, Tahoe City, Carnelian Bay, Tahoe Vista, Kings Beach, Crystal Bay and Incline Village.

Lake Tahoe's southern shore spans from awe-inspiring Emerald Bay, one of the most photographed locations in the world, to Zephyr Cove, home to one of Tahoe's famed paddlewheelers, the M.S. Dixie. Along the shore, from Camp Richardson to Stateline, you will discover numerous spots to play, dine, and relax. Options include the Heavenly Village, spectacular views and exciting activities at the top of the Heavenly Gondola, and the night-life and excitement of the casino resorts and nightclubs.

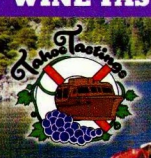

From 70-degree lakeside comfort among Ponderosa pines, to the rugged and beautiful mountain links, Tahoe's numerous courses, large and small, offer a spectacular golf experience!

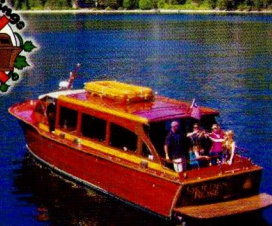

Whether from a hot air balloon, a perch on a mountain peak, afloat in a boat on the crystal clear lake, or lounging on a lakefront sundeck, Lake Tahoe is all about exploration, recreation, relaxation and inspiration.

We hope you enjoy your stay.
